

Emerging Issues on Lead Chat Transcript

00:28:12 zlamela: Hello everyone Zulma Lamela from the Jersey City Department of Health

01:14:08 Michael Pratt: Nice presentation, Sean!

01:15:21 Derek Shendell: Good job, Sean!

01:16:01 Deandrah Cameron: Yes! Great presentation

01:34:10 Kathleen Parrish: Thank you all for the great presentations!

01:34:10 zlamela: how can we get this presentations

01:34:36 Sean Stratton: I believe there is a question from Amy Cook in the Q&A

01:34:52 Future City Inc: your presentations well

01:35:04 Future City Inc: thank y

01:35:54 Future City Inc: thank you for your thoughtful presentations

01:36:21 Future City Inc: thank you

01:37:12 Amy Cook: Thank you!

01:37:52 Michael Pratt: appreciated all the presentations!

01:37:53 Amy Cook: What is your advice for REHSs working at county or local HDs in terms of what to communicate to people about blood level limits?

01:38:51 Amy Cook: (current CDC level of 3.5 micro per dl, or 5 micro per dl)

01:39:25 zlamela: Elyse how the CHW can get the training?

01:48:39 Richard Opiekun (NJDOH - EPHT): Does the landlord-tenant rental issue apply to seasonal (summer) rentals? Some of these renters only rent for 1-3 weeks.

01:53:14 Sean Stratton: my email: sas536@sph.rutgers.edu

01:53:20 Kelvin Boddy: KBoddy@hcdnnj.org
